The future for land transport: A final plea on the negotiating text

Tuesday, 03 Nov 2009 11:00 – 12:30

Room CIPRES

- Barcelona Convention Centre (FIRA GRAN VIA)
Carrer del Foc 47, 08038 Barcelona, Spain

INTRODUCTION

This event will present recent thinking from transport and climate change experts in the form of recommendations for how the negotiating texts could be amended to make better provisions for land transport, thereby enabling the sector to play a key role in a low carbon future.

With only weeks left until the COP15, the event will provide a “final plea” on the negotiating text to ensure that no barriers will exist for land transport to play a vital role in the Post-2012 framework.
