Partnership on Sustainable
Low Carbon Transport

Agenda

- 11.00** Welcome and introduction to transport and climate change
(Heather Allen, UITP)
- 11:15** Towards Sustainable Low Carbon Transport
(Daniel Bongardt, GTZ)
- 11:30** Key messages – transport and the negotiation text
(Holger Dalkmann, TRL)
- 11:45** Roundtable discussion:
Copenhagen and Post-Copenhagen – the future of land transport in
the agreement
- 12:15** Final remarks
- 12:30** Refreshments

The need to include transportation in the climate agenda

- GTZ, Veolia Transport, UITP and TRL launched the initiative “**Bridging the Gap: Pathways for Transport in the Post Kyoto Process**” in order to integrate transport in the climate change negotiations
- What are the offers by GTZ, Veolia Transport, UITP and TRL in 2009?
 - Facilitate **workshops** (March 27, June 6 and September 17) preparing an input to the Negotiation Process
 - Develop specific **suggestions** for integration
 - Link to major **UNFCCC events**
(Official side events at AWGs, SB meetings)
